# Invite friends: Find table by reservation info

The screenshot shows a mobile application interface for 'MY THAI STAR'. At the top, there are navigation tabs for 'MY THAI STAR', 'ORDERS', and 'RESERVATIONS'. The 'RESERVATIONS' tab is active. On the left side, there is a 'FILTERS' section with three input fields: 'Date' (with a calendar icon), 'E-Mail', and 'Reference number'. The main area displays a list of reservations. Each reservation entry includes the date and time, the reservation ID, and the email address. A blue chevron icon is visible to the right of each entry. An orange arrow points from the right side of the reservation list to the text 'WAITER AREA UI Reservations list'.

# Digital menu: Order the order - precondition for ordering

The screenshot displays a digital menu interface for 'MY THAI STAR'. The main content area shows a grid of four 'PAD THAI' items, each with a placeholder image, a price of 6.50€, and an 'Add' button. A sidebar on the left contains various filters such as 'Favorites', 'Starter', 'Main dishes', 'Dessert', 'Vegetarian', 'Vegan', 'Rice', 'Noodle', 'Curry', 'Price', and 'Likes'. A top navigation bar includes 'HOME', 'MENU', and 'BOOK TABLE'. On the right, an 'ORDER MENU' sidebar lists the items added to the cart, showing a total of 19,50€. Below the order menu, there is a section for 'INVITATION NUMBER' and 'TABLE' with a 'BOOK TABLE' button. A dark notification bar at the bottom right states: 'To order the menu it is necessary to book a table or have an invitation ID'.

**MENU UI ORDER THE ORDER precondition for ordering**  
You need book a table or introduce an invitatio ID to order menu.

# Waiter cockpit: See all orders / reservations

The screenshot shows a web application interface for a waiter. At the top, there are navigation tabs for 'MY THAI STAR', 'ORDERS', and 'RESERVATIONS'. The 'RESERVATIONS' tab is active. Below the navigation, the title 'RESERVATION 123123 - ORDER' is displayed. A table provides reservation details: Reservation datetime (09/03/2017 - 21:00), Order datetime (09/03/2017 - 20:10), Owner (Susan Smith), E-Mail (susansmith@gmail.com), and Table (Table #4). Below this, an order list is shown with items: PAD THAI (6.50€), PAD KEE MAO (6.50€), PAD THAI (6.50€), and a TOTAL of 19.50€. A 'CLOSE' button is located at the bottom right of the order list area.

# Waiter cockpit: See all orders / reservations

The screenshot displays the 'MY THAI STAR' waiter cockpit interface. At the top, there are navigation tabs for 'ORDERS' and 'RESERVATIONS', with 'RESERVATIONS' currently selected. A user profile icon and a notification bell are visible in the top right corner. On the left side, there is a 'FILTERS' section with three input fields: 'Date' (with a calendar icon), 'E-Mail', and 'Reference number'. The main area is titled 'RESERVATIONS' and contains a list of five reservation entries. Each entry includes the date and time, the reservation ID, and the customer's email address. A blue chevron icon is present at the end of each entry. An orange arrow points from the right side of the reservation list to the text 'WAITER AREA UI Reservations list'.
